One Legacy Gift Giver had a passion for our campus improvement projects. This \$50,000 gift will go even further with your generosity!

We were unable to fulfill many of our 'Wish List' items from last year due to the pandemic. We truly appreciate your alumni class working together to make an impact when and where we most need it.

Thank you to our donors who have already made a noticeable impact by paying for the 'new-to-us' school bus, outdoor signage, Dennis Schrock's outdoor learning space, and in so many other special ways.

~Meranda V.

ONE MORE THING...

we need your help

Help us maintain our records and provide you with relevant information. You are also welcome to update this by calling Meranda or online at FreemanAcademy.org/alumni

Additional Comments: _____

One enjoyable or silly memory you remember happening in Pioneer or Memorial Hall?

Name a Freeman Academy educator that inspired you. What made them stand out?

What is one piece of advice you would want to share with our current students?

Thank you for sharing. It always brightens our day to hear stories of "if these walls could talk" and share them with our future. ~Meranda
